10	Website Information	PDFs and Word documents in a folder named P2R Website Info	We realise that schools will want to share elements of their English curriculum on the school website. However, we do ask that you do not share any of our Pathways to Spell key documents. The website information we have sent attached to your welcome e-mail is for you to add relevant information to your school website.
11	Further charges		Please do not download all of your documents from WeTransfer and save them to a shared drive. It takes a great deal of admin time to process bespoke orders. Therefore, we have to charge an admin fee of £25 if schools ask to be sent another WeTransfer with their resources.
