22ND NOVEMBER 2024

We have had a really fun day with CYMFED and their World Youth Fun Day! We joined with other schools around the whole UK to celebrate the theme of "Let Your Kingdom Come" We started the day with an assembly from Cafod who reminded us how we can share gifts with others around the world this Advent.

WHAT'S NEW?

## WORLD YOUTH FUN DAY

Later in the morning, we joined with World Youth Dance Crew for Wake and Shake before prayers with the Daughters of Divine Charity. With them we built our own kingdom using Lego and thinking about how sharing love with others creates the kingdom of God. We have also learned about the Lord's Prayer and even learned some sign language to help us remember and connect with the Lord's Prayer. The event is available to rewatch on Youtube.
