

# BURRATOR NEWS

NOVEMBER 2024

## In Burrator this term

### Welcome

Welcome to our first Burrator Blog!  
We have been very busy this Autumn term and we are extremely proud of the progress that the children have made already.

As always, Miss Keir is happy to answer any questions, so if you'd like to, get in touch for a chit-chat!

### Exeter Museum Trip

The children enjoyed activities around the museum that allowed them to collaborate in groups and find out about lots of interesting artefacts.

## Outstanding Art

This Autumn term, our Art topic was 'Typography and Maps'. The children experimented with different typography and created their own styles using different mediums. We then applied our knowledge to creating our own map based on ourselves and the human experience. These look amazing and are on display in the classroom. Come and see for yourself!

## Pupil Chaplains

Thank you very much to our Pupil Chaplains who have worked hard with Fr. Andrew this term at planning and delivering collective worships to all the classes!
